HROA Visitor Access System Request Form

Heritage Ranch Main and North Gate Visitor Lanes

The Heritage Ranch Visitor Access System affords Members and Tenants two options to streamline access for **family and designated guests** at the Main and North Gate Visitor Lanes. They can use an assigned, unique 4-digit code.

Members/Tenants will be responsible for sharing this unique code with their designated guests. In addition, there is an option of a listing on the Gate Access Panel Directory which allows guests the option to call the Member/Tenant for admittance over the telephone. **Please note: This code supplements your current HROA Member/Tenant Permanent Guest List. Guests who are not on a Permanent Guest List must still be called into the Gate. These access options are intended for use as a convenience for authorized guests only and may be revoked if misused.**

Use of the Visitor Access Code or Gate Directory is optional and is not a gate card replacement. Complete and return this form to the Member Services Office via e-mail (office@hroa.us), fax (805-238-3430), in person or mailed to 2130 Heritage Loop Road, Paso Robles CA 93446.

.....
HROA Member/Tenant ID # _____

Lot/Tract _____ Member/Tenant Name _____

Mailing Address _____

Email Address(es) _____

Please select one of the following options:

- Option 1 -- Four Digit Code (HROA assigned) *
- Option 2 -- Phone Number**
- Option 3 -- Both: Four Digit Code (HROA assigned) * and Phone Number**
- Option 4 -- No code or phone number. I understand that if I choose this option, I am responsible for my guest's entry into the Ranch. I will continue to call/e-mail the front gate with my incoming guest information.

*How do you prefer to receive your code: e-mail mail **Please allow 7-10 business days to receive your code.**

**Please remember cell service is unreliable in some areas of Heritage Ranch. You may want to consider providing your guests a land line number. If you choose the phone option, your last name and/or first initial will be visible for scrolling on the keypad display.
