

Greg Fletcher, Candidate for Heritage Ranch Board of Directors

My wife and I moved to Heritage Ranch 4 years ago from Southern California. I have a Bachelor of Arts degree in Political Science from the University of California Irvine. I have previously worked as a graphic designer and art director for 32 years and I currently run a small business. I have served on several city community groups at the time we used to live in Orange County and I have also run a small non-profit organization.

We love Heritage Ranch, and one of our reasons for moving here, besides the peaceful and serene environment, was the security of the front gate at the entrance to the community. One of my interests in being on the Heritage Ranch Board of Directors is to see the continued full time manning of the main gate and the north gate. I feel that this is an important issue and having a reduction in gate staff or no staff at all is an issue that requires more discussion.

Respectfully,
Greg Fletcher
